

Quality policy statement

Quality is a process in which converges all the efforts of the organization to place us in a leadership position. To believe in quality is the impulse to leadership through the permanent improvement of our processes and ourselves, therefore:

ACCURER, S.L., considers and self-declares as quality policy:

- To meet the full satisfaction of our customers and parties involved in our services and deliveries of products, without, accepting any commitment which could affect our quality
- Comply with legal, regulatory and internal and external requirements from our customers.
- Improve our company quality system, based on the requirements of the standard UNE - EN - ISO 9001:2015 and IAQG 9100:2016
- Ensure that all levels of our organization comply with the provisions stated in the quality management system and proposals in the continuous improvement of the quality
- Accurer acts and follows an ethical behaviour code.

To achieve this policy, the Manager of Accurer, declares and states:

- To undertake and comply with the quality policy
- To permanent and continuously review the application and the effectiveness of its quality management system.
- To encourage respect, to transmit ethical behaviour values , the participation and collaboration with employees, suppliers and customers, in order to contribute to the development of their people and achieve the objectives set.

The Manager
